Mary Brettell

Although you wouldn't think it to look at her, Mary Brettell's beginnings in the folk movement go back as far as the Folk Revival in the 60's when she was an active member of Brisbane's Folk Centre at a time when Peter, Paul and Mary and The Seekers were popular.

*Mary has been seen at major Folk Festivals around Australia and overseas and regularly at the Folk Redlands festivals. She is very active in the Folk Scene and now its your chance to catch up with Mary again as she makes her always welcome return to Folk Redlands to launch her new CD -- **"With a Little Help From My Friends"** which promises to be something really great !*
