

Folk Redlands September Newsletter 2009

Greetings and welcome to the Folk Redlands September Newsletter. This will be the last Newsletter that I produce so you can look forward to some fresh ideas in up coming additions.

I am resigning as President of Folk Redlands, to concentrate a little more on some of my other activities but I will still be on the committee (without portfolio).

It's been a great experience helping to bring Folk Redlands to where it is today. Folk Redlands has, particularly in the Redlands and Bayside areas become synonymous with good Folk and acoustic music, and long may it continue.

Credit must go in large part to the committee and the volunteers who graft behind the scenes to make it work and of course to our many people who come to enjoy the music and poetry.

Sunday August 30th is our **AGM** and everyone is invited to attend although only paid up members may vote. The start time is 1pm and will be over by 1:30.

I hope you will take the opportunity when it comes, to welcome in the new committee and show them the same great support you have shown the current one.

Also on the same day is **(Folk) Dance Kaleidoscope** on this special event day we will feature Dance Kaleidoscope. This will be a Hands-on traditional dance workshop [more information](#)

This will run until around 4pm and will be on the "square" in the Indigiscapes gardens. Admittance is FREE

Please make sure you read to the bottom of this letter as this is going to be another great month, and you wouldn't want to miss out!
